Celebrate Ohio's #1 Industry

Agriculture contributes over \$107 billion to Ohio's economy! Local agricultural crops include:

- Fruits and Vegetables
- Corn, Wheat and Other Grains
- Fish and Chicken
- Beef, Pork and Lamb
- Milk, Cheese and Yogurt
- Beer, Wine and Spirits

Visit Ohio Local Foods Week on Facebook for more!

Local Foods -- Every Day

Local foods provide benefits for every community:

- Nutritional and healthy food availability
- Easy access for urban and rural areas
- Economic opportunity through jobs and commerce
- Social benefits of building better communities
